SAFETY TIPS

WEAR A SAFETY HELMET WHEN RIDING A BIKE TO PROTECT YOUR HEAD FROM SERIOUS INJURY!

RIDE ON THE RIGHT SIDE OF THE STREET, IN THE SAME DIRECTION AS TRAFFIC.

IF YOU BIKE AT NIGHT, MAKE SURE TO HAVE BRIGHT LIGHTS OR REFLECTIVE GEAR ON THE FRONT AND BACK OF YOUR BIKE.

STAY ALERT AND AWARE OF YOUR SURROUNDINGS AT ALL TIMES.

BEFORE RIDING, INFLATE TIRES PROPERLY AND CHECK THAT YOUR BRAKES WORK!

BIKE MONTH

DONATE AN OLD BIKE!

Bicycle Collective needs your old bike!

Each year they refurbish thousands of bikes of all types. Some are sold to fund their charitable programs; some are donated to adults and children in need. If you've got an old clunker sitting in your garage or you just upgraded and have no more use for that five-year-old beauty, they'll take it!

Even if it is damaged beyond repair, pull off the usable parts and ensure the rest is recycled responsibly.

Best of all, your donation is 100% tax deductible.

You can drop off bikes at 2312 S. West Temple from 12-6PM on Tuesday, Thursday, and Saturday!

If you can't make it down during those hours, give them a call at 801- 328-2453 to find a time to drop it off!

THANK YOU FOR PARTICIPATING IN
