And No Balls Gala:
The Last CarniBALL

WHY BECOME A SPONSOR

Salt Lake County Animal Services is celebrating 10-years as the largest, life-saving municipal shelter in Utah. Over 12,000 pets received care in 2022 and so many more will in 2023.

Sponsorship donations for SPAYghetti & No Balls Gala directly help pets in the community via Salt Lake County Animal Services Spay & Neuter programs: Pet Retention Project, Free Feline Fix, ACO Cares, TNR and more!

Please consider SPAWnsoring SPAYghetti and help us continue these life-saving programs. By sterilizing a pet, we prevent hundreds of homeless pets from entering the shelter each year.

See below how SPAYghetti & No Balls helps the community!

FREE FELINE FIX & TNR

Over 450 cats in 2023 will be spayed/neutered, vaccinated, and microchipped for free at the Free Feline Fix.

An additional 1300 TNR/Community Cats will be sterilized, preventing hundreds of kittens from entering the shelter.

ACO CARES PROGRAM

The ACO CARES program helps Animal Control Officers provide assistance to those in need. In 2023 over 250 dogs and cats will receive low-cost or free spay/neuters and vaccinations from our clinic as a way to help deter pets from escaping in the future.

PET RETENTION PROJECT & MORE

The Pet Retention Project and other low-cost (or free) spay/neuter events, help individuals in the community who want to get their pet sterilized but can't afford paying full cost. In 2023, nearly 1,000 pets (& owners) will benefit from these programs.
