BOARD OF EQUALIZATION
EXEMPT PROPERTY HEARING
APRIL 28, 2009

The Salt Lake County Council convened and met as a Board of Equalization on April 28, 2009. Present were: Councilman Joe Hatch, Chair; Councilman Randy Horiuchi; Councilman Jim Bradley; Councilman David Wilde; Councilman Michael Jensen; Councilwoman Jenny Wilson; Councilwoman Jani Iwamoto; Councilman Max Burdick; Councilman Jeff Allen by phone; Mary Ellen Sloan, District Attorney's Office; Pete Lund, Chief Deputy Assessor; Richard Burgi and Alan Tippetts, Assessor's Office; Jeff Hatch, Auditor; David Beck, Michael Grobstein, Pauline Wilson, and Judy Stevens, Auditor's Office; Jodi Martin Tax Administration; and Doug Hammer from IHC Services.

Councilman Hatch stated there was an issue regarding the posting of the agenda. Mr. Beck explained the agenda was posted on the State's web site but perhaps without enough detail given the nature of what will be discussed today. We will re-post the agenda and entertain discussion today and bring it back next week for formal vote.'

Councilman Hatch if there was any citizen input.

Mr. Beck gave a brief overview of the exempt process and explained categories.

Agenda Items 3A and 3B consist of requests for continuation exemption with no change in use. There are 1840 real property, 102 personal property and two vehicle. It is the recommendation of the District Attorney that these exemptions be continued. Ms. Sloan stated the organizations file a request for continued exemption and note changes and it is assumed these are correct.

Motion was made to approve Items 3A and 3B. Councilman Hatch called for initial approval. Motion seconded and items were unanimously approved.

Mr. Beck stated that agenda item 4A and 4B requests noting change in use. He stated there were 11 changes on the real property item and one on the personal property. Councilman Bradley moved to approve the recommendations on agenda item 4A. Councilman Burdick seconded and motion was unanimously passed. Agenda Item 4B is a listing of changes noted but without sufficient information to make a recommendation on the change. Motion was made to request additional information. Motion seconded and unanimously approved.

Mr. Beck stated that agenda item 5A and 5B are listings of requests for continued exemption not returned. The Clerk asks for authorization to notify these people of intent to revoke unless the appropriate information is filed. Councilwoman Wilson moved to authorize the Clerk to take the appropriate action. Motion seconded by Councilman Jensen and unanimously passed.

Agenda Items 6A, B and C are the new applications for exemption which have been reviewed by staff and the District Attorney's Office. Mr. Beck indicated there is an amended item. Because a code was missing the applicant name was not included. It was noted that only four were recommended for denial. Mary Ellen Sloan indicated the Attorney's recommendation is listed next to the parcel. She stated that Utah Food Bank was a commercial lease on January 1. She stated that ARUP are two different sets of properties and they are recommended for denial. ARUP is a for-profit entity and does not qualify. It claims to be owned by the University of Utah. This is a legal issue and the County does not agree and it should be denied. Two parcels are owned by a different entity called HCPI and should be denied. Seconded by Councilman Hatch and carried.

Utah Food Bank is a new application for a building on which there is a commercial lease. It will be eligible for exemption in the future. Ms. Sloan explained that the home of a pastor is eligible as long as they are required to live there and the Church pays all the expenses. The Utah State Bar is reapplying for 2009. The 2008 application is on appeal. For LDS Business Collect and BYU each parking stall has separate parcel number. Overall there will be 88 applications. Ms. Sloan explained that God's Order of Natural Healing has not shown exclusive religious use. It is a residence and Mr. Storey keeps bees there. Ms. Sloan explained what they looked for to qualify as a religious property. Councilman Jensen moved to approve all on items 6A, 6B and 6C recommended for approval. Motion seconded by Councilman Wilde and unanimously approved. Councilman Hatch asked if there were any of the applicants who wished to make a statement on the recommendation of denial.

Rick Thaler, Ray Quinney & Nebeker appeared on behalf of ARUP. Councilman Hatch asked if there were any differences from last year's application. Mr. Thaler stated the primary difference is the new building title is held by ARUP. The old building is in a different ownership. ARUP has title to new building and personal property. ARUP is owned by University of Utah. Court said anything owned by the University is property of the state. The State Tax Commission has also taken this position and the County has taken that position until 2008 when the exemption was revoked. Councilman Hatch stated they were a wholly owned entity of the state and run by a for profit and the profits go to the University. He asked how this would differ from a KSL who is owned by the LDS Church and is a for-profit and all profits go to the LDS Church but it is taxed. Mr. Taylor stated one major difference is the control issue. Control of ARUP come down to the State Board of Regents. The financial statements are consolidated by the State. Councilman Hatch stated this would need to be decided by the court. He stated their's is a governmental exemption and the LDS Church is a religious exemption. Councilman Bradley state it would be more efficient to deny it here and lump the appeals together. Ms. Sloan stated the Assessor would have to appeal for the County. The District Attorney cannot do that. Councilman Bradley moved to deny and support the Board of Equalization. Councilwoman

Wilson seconded the motion. Ms. Sloan stated they felt ARUP is a for-profit entity and is totally separate from the State. The State is not obligated to pay any judgment. Councilman Hatch asked if the Board wants to study it further, the matter should be continued to next week and get a copy of the 10th Circuit decision. He asked that both sides submit a two or three page memo. This would only related to 2009 and the new building. Councilman Bradley withdrew the motion. After further discussion, Councilman Bradley moved to continue this matter and to approve the denial of those recommended by the Attorney. Councilman Jensen seconded and the motion passed.

Agenda Item 7 relates to nonprofit hospitals and Mission Health Services. The Board has seen an outline of the charity plan. Councilman Horiuchi informed the Board of his involvement with IHC. He stated that IHC does have a few concerns. Councilman Allen moved to approve the plan. Motion was seconded by Councilwoman Iwamoto. He asked if IHC would like to speak about the plan. Doug Hammer of IHC stated there was a question about what is used to calculate the gift to the community. That standard is outlined in standard 5. The standard was decided in 1994 and upheld by the court. He discussed the various items included in the formula. Councilman Hatch stated when he was on the subcommittee he wanted to exclude the education feature since he felt they were doing it for purposes of a business as there was a shortage of health care professionals. He stated that IHC hospitals provided 56 million dollars in charity care. The charity care would be five times what was needed to meet the standard. Ms. Sloan stated they looked at whether the charity care exceeded property tax liability and there is no question about that. The Committee felt they should look at charity care to those who qualify. It is a non academic argument. After further discussion, Councilman Jensen moved that on item 7A1, they take the subcommittee's recommendation with an amendment on item 2 to include caveat that would allow additional STC rule language. Councilman Burdick seconded that motion. Councilman Bradley stated they should leave it as recommended. Councilwoman Wilson agreed but felt the motion should allow medicare adjustment and uninsured clinic. Councilman Jensen approved the amendment. Motion passed unanimously with Councilman Horiuchi abstaining. Councilman Jensen moved that they continue the exemption for IHC and Mission Health Services and approve the charity plan for Mission Health Services. He further moved they approve sending letters for failure to file shown on Item 8. Councilman Horiuchi seconded and the motion was carried unanimously. Mr. Beck asked if they could include agenda item 10 for authorization for Clerk to implement decision. Motion seconded and passed. Ms. Sloan stated there were 11 IHC parcels needing information relating to percentages and they were meeting on those early next week. Councilman Jensen state that would be included in his motion.

The exempt portion of the meeting adjourned at 3:00

BOARD OF EQUALIZATION
EXEMPT PROPERTY HEARING
MAY 5, 2009

The Salt Lake County Council convened and met as a Board of Equalization on May 5, 2009. Present were: Councilman Randy Horiuchi; Councilwoman Jenny Wilson; Councilman Jim Bradley; Councilman Joe Hatch; Councilman Michael Jensen; Councilman David Wilde; Councilwoman Jani Iwamoto; Councilman Jeff Allen; Councilman Max Burdick; Mary Ellen Sloan, Kelly Wright, and Zachary Shaw, District Attorney's Office; Jodi Martin and Liz Fehrmann; Tax Administration; Lee Gardner and Pete Lund, Assessor's Office; David Beck, Michael Grobstein, Betty Martin, Pauline Wilson, and Judy Stevens, Auditor's Office.

Councilman Hatch asked if there were citizens who wished to make a statement.

Councilman Hatch stated agenda item 2 is a continuation of the April 28, 2009, exempt property hearing. Mr. Beck stated the purpose of the meeting was to ratify the decisions from last week. There are some items that require further action, such as ARUP and IHC. He would recommend they go first to the IHC and nursing home properties. Councilman Hatch stated it was percentage of use of buildings. Ms. Sloan stated they have reached an agreement with IHC on the percentages.

Ms. Sloan gave the following report relating to percentages for IHC properties:

28-08-273-014 - Increase to 68%
09-31-256-017 - Increase to 50%
09-31-254-008 - Exempt at 97% - IHC asked for 98% and
That can be reviewed if additional information is
Received
22-18-326-019 - 38%
22-18-303-023 - 12%
22-18-326-020 - 12%
22-18-326-021 - 12%
22-18-326-022 - 12%

IHC representative stated they had agreed with the percentages.

Councilman Hatch asked if there were any other exempt questions, with the exception of ARUP.

Ms. Martin stated she had proposed new language for the hospital standards. Councilman Hatch asked if this included the changes discussed last week. Ms. Martin stated Ms. Wilson's motion has included two additional components of medicare allowance and clinic's free care.

Councilwoman Wilson moved to approve the above actions, excluding ARUP. Councilman Allen seconded and motion passed unanimously. It was noted that Councilman Horiuchi abstained on actions relating to IHC.

Councilman Hatch stated ARUP had given the memo filed in March and the one requested last week and they have the 10th Circuit Decision. He asked if they wanted to ask questions. Mr. Thaler and Philip Vetter with University of Utah general counsel. Kelly Wright represented Salt Lake County. Councilwoman Iwamoto stated it appeared the decision was stating the opposite of the appellants statement. Mr. Thaler stated it comes up with a different conclusion on the issue of is ARUP an arm of the state under the federal constitution. The county attorney's recommendation in 2001 goes through that. This is no different than the State Retirement case decided by the Supreme Court. Councilman Hatch stated the 10th circuit case is looking at a factual situation and determining for federal constitution and law is the organization an arm of the state for liability purposes. That is a different form of analysis than looking at it if it is arm of state for purposes of getting an exemption. It is helpful for us in light of the 2001 recommendation. They developed more facts that may be useful in making determination. That point is not being addressed in the presentation. They have to look at what needs to be done under state law. It must be construed narrowly and it would appear it should be denied and let the courts decide. Mr. Thaler stated he had not seen any facts that change the outcome. Councilman Wilde stated ARUP was exempt and the decision is the reason the exemption was revoked. Councilman Wilde stated he tended to see it the way ARUP does and would like for Mr. Wright to explain what is wrong. Mr. Wright stated the 2001 opinion has been withdrawn because of the facts. Sikinga is suing ARUP and they said you can't do that because they are an arm of the state. ARUP is a for-profit corporation and is a separate entity. The county qualifies under a separate statute being a political subdivision. Sikinga stated ARUP is substantially autonomous. Who owns it. Owning stock does not mean owning the assets of the corporation. Are you disputing that every dollar goes back to the University. All dividends flow to the University. The question arose regarding capital gains taxes if sold and Mr. Thaler stated he did not know but they do not pay income tax, sales tax, fuel tax, or any taxes. After further discussion, Councilwoman Wilson moved to deny the exemption because there are other channels. Councilman Burdick seconded the motion. Motion carried with 4 Ayes and 3 Nays.
