Recommendations of the Board of Equalization Charity Plan Review Sub-Committee on 2009 Exemptions of Hospitals and Nursing Homes - April 28, 2009

1. Each facility must meet all six Utah State Tax Commission Standards for Nonprofit Hospitals and Nursing Homes, in order to receive the exemption. Additionally, medicaid covered patients must be accepted at each facility.
2. When considering the gift to the community, the Board will count only the actual unreimbursed charity care and medicaid discounts as calculated under the standard. To the extent that this amount exceeds the combined tax liability assessed on both real and personal property, a facility would qualify for 100% exemption as long as it meets the exclusive use standard.
3. Donations of time and money, including in-kind contributions, from the community go toward supporting the overall charitable nature of the entity, but will not be included in the gift to the community calculation that must exceed the total tax liability.
4. Staff continue to work with IHC to determine any partial exemption percentages to exclude property not used exclusively for charitable purposes.
5. IHC meet with members of the Sheriff's Office to explore possibilities to cut the cost associated with escorting inmates to the hospital for medical treatment.
6. Each year at least one facility be selected for detailed review.

MINUTES
BOARD OF EQUALIZATION
EXEMPT PROPERTY HEARING
APRIL 29, 2008

The Salt Lake County Council convened and met as a Board of Equalization on April 29, 2008, at 2:10 P.M. Present were: Councilman Mark Crockett, Chair; Councilman Randy Horiuchi; Councilman Jim Bradley; Councilman David Wilde; Councilman Joe Hatch; Councilwoman Jenny Wilson; Councilman Marv Hendrickson; Councilman Mark Allen; Mary Ellen Sloan, District Attorney's Office; Pete Lund, Chief Deputy Assessor; Richard Burgi and Alan Tippetts, Assessor's Office; Jeff Hatch, Auditor; David Beck, Michael Grobstein, Pauline Wilson, and Judy Stevens, Auditor's Office; Jodi Martin Tax Administration; Also in attendance was Doug Hammer, representing Intermountain Health Care.

Councilman Crockett called the meeting to order and asked if there was any citizen input.

Mr. Beck gave a brief description of the exempt property categories.

Agenda Items 3A and 3B consist of requests for continuation exemption with no change in use. Councilman Bradley moved the items be approved. Motion seconded by Councilman Horiuchi and passed unanimously.

Councilman Horiuchi made a disclosure of his voluntary service with IHC.

Agenda Item 4 consists of requests noting changes in use on real and personal property. Most of the changes are reported by the organization itself when it files the Request for Continued Exemption. Councilman Crockett moved the changes be approved. Motion seconded by Councilman Horiuchi and carried unanimously.

Agenda Items 5A and B consist of lists for real and personal property where the non-profit entities have not filed their request for continued exemption. The Clerk asks for authorization to notify these people of intent to revoke unless the appropriate information is filed. Councilman Horiuchi raised the possibility of personal contact and Mr. Beck indicated that would be done if necessary. Motion was made by Councilman Crockett to authorize the Clerk to take the appropriate action. Motion seconded by Councilman Horiuchi and unanimously passed.

Agenda Items 6A, B and C are the new applications for exemption on which have been reviewed by staff and the District Attorney's Office.

Mary Ellen Sloan indicated the Attorney's recommendation is listed next to the parcel. She discussed the recommendations on the real property list, item 6A. She stated it is recommended that Multi-Ethnic be denied. There is some question as to

whether it is owned by a non-profit entity. It is owned by a partnership and the non-profit entity has a small interest. It is similar to Sunrise Metro LLC. The Tax Commission upheld the denial on that property. It was recommended that this item be carried forward to next week. Ms. Sloan recommended that the Westminster College requests for visiting teacher housing be carried forward also. The balance are straightforward. Councilman Wilde asked if those recommended for denial were aware these would be on the agenda today. Ms. Stevens indicated she had spoken with the representative of Mount Hyrum and had asked if there was additional information that would change the recommendation. Councilman Horiuchi moved the recommendations on item 6(A) be approved with the exception of those referred for further review. Motion seconded by Councilman Crockett and carried.

Mr. Beck indicated item 6B are applications for personal property and both were recommended for exemption. Councilwoman Wilson moved the recommendations on 6B be approved. Motion was seconded by Councilman Hatch and carried.

Mr. Beck indicated item 6C are applications with insufficient information to make a recommendation and it is requested the Clerk be allowed to continue working with these applications and be brought back at another meeting. If they fail to provide information it would be denied for failure to provide sufficient information. Motion was made to approve the request on Item 6C made by Councilman Hatch, seconded by Councilman Horiuchi and passed.

Mr. Beck indicated Agenda Item 7 is the Charity Care Plan worked on by the subcommittee. Mary Ellen Sloan indicated the subcommittee reviewed the charity plan for each IHC hospital and determined that the charity care provided by each hospital exceeded the property tax associated with each facility. The subcommittee also determined that the hospitals met the State Tax Commission standards.

She indicated the requests for continued exemption should be granted to all facilities in accordance with listing provided for each facility, except the following. Cottonwood TOSH 22-18-326-019 should be 71% taxable and 29% exempt because of demolition or vacancy of Cottonwood Hospital and percentage of TOSH occupied by private physicians; 22-18-303-029 should be 0% exempt and 100% taxable because this was parking for the women's hospital which was demolished; 21-12-427-008-Intermountain Medical Center should be 76% exempt based upon the fact that the south pavilion building is 100% taxable as private office space and vacant space. This is a reduction from 87% last year. This is due to the fact there is a new facility on the property. Ms. Sloan indicated that the parking for the facility was included in 22-18-326-019. There are two large parking lots in addition. Councilman Wilde asked for clarification of the recommendation on parcel 21-12-427-008. Ms. Sloan indicated this parcel includes the whole facility. It was noted that the south pavilion covers 24% of the property.

She indicated there are also several parcels at the Riverton Hospital. All but one of those parcels is recommended for exemption. Parcel 27-32-152-002 is vacant and is the only one recommended for taxation.

5245 College Drive LLC, parcel 21-12-376-012, is owned by single member LLC with IHC as a member and manager and is fully leased at commercial lease rates including the portion occupied by IHC. They are requesting a partial exemption. The recommendation is to tax the property at 100% until the lease to IHC is significantly below market rates. It was a lease in place prior to acquisition by IHC. Because of the nature of the financing and this mortgage is part of a bundle package put on the market, the leases are required to be at market rate for at least 10 years.

Councilman Hatch moved to accept all recommendations of item 7A. Motion seconded by Councilman Bradley. Councilman Horiuchi asked if these had been reviewed with the applicant. Ms. Sloan indicated over the course of the review she had conversations with Richard Skeen and James Woods about the recommendations. They may take issue with 5245 College Drive recommendation. Councilman Bradley stated they had asked to meet quarterly relating to evaluation and discussion of services at the jail. Councilman Jensen stated they could include that in the motion. Doug Hammer of IHC stated they were in agreement with Mary Ellen Sloan's recommendations. Motion carried.

Item 7B relates to Mission Health Services. Ms. Sloan stated this is a nursing home and she has reviewed the charity plan and it meets the criteria established by the Tax Commission for Hospitals and Nursing Homes. Motion to approve made by Councilman Hatch, seconded by Councilman Bradley and carried.

Councilman Hatch moved that the minutes of meeting of April 24, 2007, be approved. Motion seconded by Councilman Allen and passed.

Councilman Horiuchi moved for authorization of the Clerk of the Board to implement decisions. Motion seconded by Councilman Wilde and carried.

This concluded the exempt property portion of the meeting.

Mr. Beck indicated item 10 is a valuation adjustment which does not affect tax relief. Councilman Hatch moved to approve recommendation. Motion seconded by Councilman Hendrickson and carried.

Mr. Beck indicated item 11 is Assessor and Hearing Officer recommendation totaling 74. Councilman Allen moved to approve recommendations. Motion seconded by Councilman Bradley and carried.

Mr. Beck indicated they had previously requested from the Tax Commission an extension of the Board to May 6. There are

still approximately 300 commercial property that have not been heard. Permission is requested to ask the State Tax Commission for another extension to May 20, 2008. Councilman Hatch moved the request be approved. Motion seconded by Councilman Wilde and motion passed.

Councilwoman Wilson raised the issue of electronic copies of agenda instead of paper. Mr. Beck stated the Auditor is working on a scanning system.

Motion made, seconded, and carried to adjourn.

Meeting adjourned at 2:45
