Ms. Fehrmann stated there were 43 Assessor and Hearing Officer recommended BOE Appeals. Councilman Bradley moved for approval, Councilman Granato seconded and the motion passed.

Ms. Johnson stated this is the date scheduled for the annual exempt property hearing to approve continuation of exemptions, accept new applications, and act on charity care plans and other exempt issues. She gave a brief overview of the exempt process and explained the categories.

Ms. Fehrmann states item 4 is a brief report from the Charity Plan Review Committee. The Committee consisting of Councilman Bradley, Council Burdick and Councilwoman Newton met and reviewed the charity plans submitted by IHC, Rocky Mountain Care and Mission Health Services along with applications. Item 4A was the charity plan submitted by IHC. Item 5B was the charity plan submitted by Rocky Mountain Care. There was one change to the Riverton Facility. In addition to the personal property exemption request a parcel, 27-32-202-002, needed to be added. Item 4C was the charity plan submitted by Mission Health. Councilman Bradley stated that all applications looked fairly simple this year. The Review Committee had discussed the inflationary factor on the IHC contribution to the jail costs. Ms. Fehrmann stated that the amount for 2014 was \$204,000 and she did not believe the figure for 2015 was calculated at this time. The District Attorney's Office recommended approval of all submissions. Councilwoman Newton moved for approval. Councilman Granato seconded and the motion passed. Councilman Bradley made note that the plans presented by Rocky Mountain Care and Mission Health were well presented and their efforts were appreciated. Councilman Burdick thanked all the non profits in our community and especially those involved in charity care. It is a very important aspect in our community and when you consider the effort put forth in the fund raising that goes on throughout the year, it helps highlight the services that are provided by all these entities within the County are phenomenal and very much appreciated.

Ms. Johnson stated that item 5 is the requests for continued exemption with no change in use. There were 2144 real property, 159 personal property and 44 vehicles. For personal property there was 1 office closed and no longer doing business in Salt Lake County. Ms. Fehrmann stated that Item 6B was the percentage changes requested by IHC. Because of difficulty in obtaining need information from IHC, we are requesting this item be continued until a later time. Councilman Bradshaw moved for approval. Councilwoman Granato seconded and the motion passed.

Ms. Johnson stated that item 7 was the request for revocation of exemption for failure to file. There were no revocations this year.

Ms. Johnson stated that item 8 was the new applications for exemption. There were 13 real property with 1 denial, 2 personal property and no motor vehicle. Councilman Bradley asked what the denial was. Ms. Johnson stated that it was for an application submitted by the LDS Church for vacant land.
