Monitoring, Recordkeeping & Reporting

Annual Stormwater Report Form example Salt Lake County year 2020-2021

Utah Pollutant Discharge Elimination System Storm Water Program MS4 Report Form

The purpose of this report is to contribute information to an evaluation of the UPDES municipal separate storm sewer system (MS4) permit program. Consistent with 40 CFR §122.37 the Utah Department of Environmental Quality is assessing the status of the storm water program. A "no" answer to a question does not necessarily mean noncompliance with your permit or with the federal regulations. In order to establish the range of variability in the program it is necessary to ask questions along a fairly broad performance continuum.

1. MS4 Information

Salt Lake County					
Name of MS4					
Kade	Moncur		irector of F	lood Control & En	gineering
Name of Contact Person (First)	(Last)	(7	Title)		
(385) 468-6600	kmonci	ur@slco.org	9		
Telephone (including area code)	Email				
2001 South State Street	et N3-120				
Mailing Address					
Salt Lake City	U	<u>T 8</u>	4190		
City	St		P code		
What size population does your M	S4 serve? N/A UPD	ES number U	TS0000	001	
What is the reporting period for th		n 07/01/202			•
what is the reporting period for th	is report: (min/da/yyyy)				
2. Water Quality Prioritie	s				
A. Does your MS4 discharge to	waters listed as impaired on a state	303 (d) list?		Yes N	o

6.	Storm Water Management for Municipal Operations		
A.	Have storm water pollution prevention plans (or an equivalent plan) been developed for:		
	All public parks, ball fields, other recreational facilities and other open spaces	✓ Yes	□ No
	All municipal construction activities, including those disturbing less than 1 acre	✓ Yes	□ No
	All municipal turf grass/landscape management activities	✓ Yes	□ No
	All municipal vehicle fueling, operation and maintenance activities	✓ Yes	No
	All municipal maintenance yards	✓ Yes	No
	All municipal waste handling and disposal areas	✓ Yes	No
	Other		
В.	Are storm water inspections conducted at these facilities?	✓ Yes	□ No
C.	If Yes, at what frequency are inspections conducted? Monthly, semi-annually, and annual	ally	
D.	List activities for which operating procedures or management practices specific to storm we developed (e.g., road repairs, catch basin cleaning). 4 SWPPPs have been implemented for High Priority Facilities, specific SOPs for all others.		have been
	Do you prioritize certain municipal activities and/or facilities for more frequent inspection		□ No
F.		/ Facilities	
G.	How are you disposing of catch basin decant water and solid material?		
	Sanitary sewer system & SLC Landfill		
H,	Are municipal vehicles washed into an approved wastewater disposal system?	✓ Yes	□ No
I,	Do all municipal employees and contractors overseeing planning and implementation of st water-related activities receive comprehensive training on storm water management?	orm Yes	No
J.	If yes, do you also provide regular updates and refreshers?	✓ Yes	□ No
K,	If so, how frequently and/or under what circumstances? Annually and as needed		
7.	Long-term (Post-Construction) Storm Water Measures		
A.	Do you have an ordinance or other regulatory mechanism to require;		
	Site plan reviews for storm water/water quality of all new and re-development projects?	Yes	□ No
	Long-term operation and maintenance of storm water management controls?	Yes	No
	Retrofitting to incorporate long-term storm water management controls?	☐ Yes	□ No
В.	If you have retrofit requirements, what are the circumstances/criteria?		
	N/A		
C.	What are your criteria for determining which new/re-development storm water plans you v	vill review (e.g., a	all projects,
	projects disturbing greater than one acre, etc.) N/A		_
D.	Do you require water quality or quantity design standards or performance standards, either directly or by reference to a state or other standard, be met for new development and re-development?	Yes	□No
E,	Do these performance or design standards require that pre-development hydrology be met	for;	
	Flow volumes ☐ Yes ☐ No		
	Peak discharge rates		
	Discharge frequency ☐ Yes ☐ No		
	Flow duration Yes No		

F.	Please provide the URL/reference where all post-construction storm water management standards can be found.					
	www.slco.org/engineering/stormwater					
G.	How many	How many development and redevelopment project plans were reviewed during the reporting period to assess impacts to			ess impacts to	
	water qua	lity and recei	iving stream protection? N/A			
H.	How many of the plans identified in 7.G were approved? N/A					
I,	How many privately owned permanent storm water management practices/facilities were inspected during the reporting period? N/A					
J.	How many	y of the pract	tices/facilities identified in I were found to ha	we inadequate maintenance?	N/A	_
K,	How long N/A	do you give	operators to remedy any operation and maint	tenance deficiencies identifie	d during in	spections?
L.		ve authority er practices/f	to take enforcement action for failure to prop facilities?	perly operate and maintain	Yes	□ No
M.	How many	y formal enfo	proement actions (i.e., more than a verbal or v	written waming) were taken i	for failure t	o adequately
	operate an	nd/or maintai	n storm water management practices? WA			
N.	Do you use an electronic tool (e.g., GIS, database, spreadsheet) to track post-construction Yes No BMPs, inspections and maintenance?			□ No		
O.	Do all municipal departments and/or staff (as relevant) have access to this tracking system?			No		
P.	. How often do municipal employees receive training on the post-construction program? Annually & assumed and					
8.	Program	Resourc	es			
A.	. What was the annual expenditure to implement MS4 permit requirements this reporting period? 407173				3	
В.	What is next year's budget for implementing the requirements of your MS4 UPDES permit? 407173					
C.	. This year what is/are your source(s) of funding for the storm water program, and annual revenue (amount or percentage) derived from each?					
	Source:	Flood Contr	ol Engineering	Amount \$ 40717	3_OR	% <u>100</u>
	Source:			Amount \$	OR 9	% <u> </u>
	Source:			Amount \$	OR 9	%
D.	How many	y FTEs does	your municipality devote to the storm water	program (specifically for imp	plementing	the storm water
	program;	not municipa	il employees with other primary responsibilit	ies)? 2.4		
E,	Do you sh	are program	implementation responsibilities with any oth	er entities?	✓ Yes	No
	Entity		Activity/Task/Responsibility	Your Oversight/Accounts	ability Mec	hanism
	Health Dep & Co	ounty Agencies	IDDE, HHW, P2	Permit holder, MOU, LO	U	
	SLC ₀ SW	Coalition	Public Education/Involvement & budget	Administer Public Educat	tion progra	m/contracts
	Jordan Valley C	o-Permittees	MCM 1 & 2 Administration	Co-Permitee Administrati	ion/contrac	t & MOU

9. Evaluating/Measuring Progress

A. What indicators do you use to evaluate the overall effectiveness of your storm water management program, how long have you been tracking them, and at what frequency? These are not measurable goals for individual management practices or tasks, but large-scale or long-term metrics for the overall program, such as macroinvertebrate community indices, measures of effective impervious cover in the watershed, indicators of in-stream hydrologic stability, etc.

Indicator	Began Tracking (year)	Frequency	Number of Locations
Public Education/Social Metric	1995	1 x 5 years	
Water Quality Fair Attendees	2006	Annually	
Stream Stability	2008	Annually	All
E. Coli, coliform sampling	2010	Monthly	55
Macroinvertebrate Community	2009	Annually	50

B. What environmental quality trends have you documented over the duration of your storm water program? Reports or summaries can be attached electronically, or provide the URL to where they may be found on the Web. Social and behavior changes are within 5 year action plan of the Salt Lake County Stormwater Coalition, and are stated in the Coalition Annual Report, found at: stormwatercoalition.org

10. Additional Information

In the space below, please include any additional information on the performance of your MS4 program. If providing clarification to any of the questions on this form, please provide the question number (e.g., 2C) in your response.

Certification Statement and Signature

I certify under penalty of law that this document and all attachments were prepared under my direction or
supervision in accordance with a system designed to assure that qualified personnel properly gathered and
evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or
those persons directly responsible for gathering the information, the information submitted is, to the best of my
knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting
false information, including the possibility of fine and imprisonment for knowing violations.
