

## Owner's Report of Site Decontamination and Request for Entry

Chemically Contaminated Property  
Environmental Health Division  
385-468-3835; HealthSan@slco.org

I, \_\_\_\_\_, owner of record of the property listed  
*print owner's name*

below, have contracted with \_\_\_\_\_ to remove  
*name of decontamination company*

chemical contamination at the following site:

\_\_\_\_\_  
*street address*

\_\_\_\_\_  
*city and ZIP*

Attached is the paperwork from the above-named company regarding the work done to decontaminate this site.

This site has been decontaminated in accordance with the approved work plan and [Salt Lake County Health Department Regulation #32—Chemically Contaminated Properties](#).

I am hereby making a request that the Salt Lake County Health Department remove the "Closed to Entry" placard posted on the property.
