Disability Insurance Claim Packet Instructions

Your Disability Benefit Claim

This packet contains the forms necessary to apply for disability benefits. It also addresses common questions about Disability claims. **Please save this material for your future reference.** For specific information about your Disability insurance coverage, refer to your group insurance certificate. The certificates are the ultimate authority for Disability claim decisions. If you need other information, please contact your employer's benefit administrator or call our customer service line at 800.368.2859.

How To Apply For Benefits

The Disability benefits application includes claim forms and an Authorization.

1. Your employer should complete the Employer's Statement on page 2, and mail or fax it to Standard Insurance Company, before giving the claim packet to you.
2. Complete and sign your part of the claim form on page 4, and then have your treating physician complete their part of the claim form (the Attending Physician's Statement, also on page 4). If more than one physician is treating you for your disabling condition, each should complete a form. Additional forms are available from your employer's benefits administrator. Your physician may return the completed form to you for you to send to us with the other completed forms, or your physician may mail or fax the completed form to us directly, using the contact information at the top of the form.
3. Read the Claim Form Fraud Notice on page 5, then provide it to your treating physician with the Attending Physician's Statement.
4. Sign and date the Authorization and send it, along with the completed claim forms, to The Standard at the above address. This authorization allows us to request further information about your claim, if necessary.

Once we receive your completed claim application, it will take approximately one week to make a claim decision. If we have not reached a decision within one week, you will be notified with the details.

Other Benefits That May Reduce Your Disability Benefits

Other benefits you receive, or may be eligible to receive, may reduce the amount of Disability benefits due you. Your coverage or group insurance certificate lists these benefits which may include, but are not limited to, sick leave, Workers' Compensation, State Disability (including Paid Family Medical Leave for your own medical condition), Social Security and Retirement.

To avoid a possible overpayment on your claim, which would need to be repaid to The Standard, please inform The Standard if you receive other benefits.

When You Return To Work

Your disability benefits usually stop when you return to work. **Be sure that you notify The Standard immediately when you plan to return, or have returned to work** to assure no overpayment occurs.

The Authorization form allows Standard Insurance Company to obtain personal information as it determines your eligibility for insurance benefits.
