

Dear Salt Lake County Residents,

Introducing Salt Lake County's NEWLY ELECTED Youth Government

Youth Government is a council of civic-minded 14 to 18-year-old youth from around Salt Lake County. Youth Government members work with local leaders, elected officials, and advocates to help identify and mitigate issues our County faces. Our members learn how to advocate for the well-being of our entire local community by participating in service learning.

Every year, participants can run for Youth Government office and select an advocacy topic that is important to them. They then organize a meeting and service project that focuses on that advocacy issue. Past topics have included air pollution, suicide prevention, refugee outreach, homelessness, accessibility, transportation, the Great Salt Lake, and more. **This year, our newly elected officials will tackle topics including book bans, airsoft gun usage in County parks, and teen vaping.**

Some of our elected officials graduating this year have been Youth Government members since they were in 7th grade! We thank Shayan Pandit and Eric Lu for their dedicated service and the legacy they leave behind for future members.

We have no doubt these students will continue to create a better world wherever their futures take them.

Thank you to our 2022-2023 elected officials: Mayor Shayan Pandit, Deputy Mayor Eric Lu, Council Members Julia Fazzino, Kamryn Hofeling, and Soraya Wainwright.

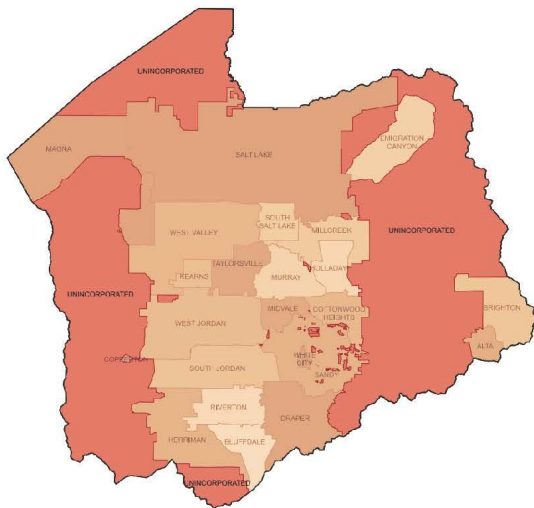

And congratulations to our 2023-2024 elected officials: Mayor Eric Lu, Deputy Mayor Julia Fazzino, Council Members Shayan Pandit, Matthew Fazzino, Daniel Dustin, Emily Dustin, Wild-Violet Badger, and Sophie Schwankl.

Salt Lake County Planning Commission

Make a difference in your community:

JOIN THE SALT LAKE COUNTY PLANNING COMMISSION!
