ATTACHMENT A: GENERAL TERMS AND CONDITIONS

1. Background. County has entered into a grant agreement (“Grant Agreement”) with the United States Department of Housing and Urban Development (“HUD”) for financial assistance to conduct a Community Development Block Grant Eligible (“CDBG Project”) pursuant to Title I of the Housing and Community Development Act of 1974 (the “Act”), as amended, and the Rules and Regulations promulgated by HUD governing the conduct of Community Development Block Grant (“CDBG”) programs, 24 Code of Federal Regulations (“CFR”) part 570, as amended, (the “Rules and Regulations”) and the applicable provisions of 2 CFR part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the “Super Circular”) County is authorized to contract by subgrant agreement with public entities or private non-profit entities for qualified activities and projects.

2. Project Responsibility. County’s Division of Housing and Community Development (“HCD”) is hereby designated as the representative of County regarding all CDBG Project matters and shall be responsible for the overall administration and management of that program and the manner in which the activities or projects described herein are conducted. County will monitor the performance of Subrecipient against goals and performance standards required in Attachment B - Statement of Work. Substandard performance as determined by County will constitute non-compliance with the agreement. If action to correct such substandard performance is not taken by Subrecipient within a reasonable period of time after being notified by County, suspension or termination procedures will be initiated which may result in withdrawal or termination of funding.

3. Project Budget.

a. A budget (“Budget(s)”) must be prepared for each of the Projects subject to this Agreement and submitted to County for review prior to the start of each of the Project(s). These Budgets must be approved by County and be attached to this Agreement when executed. The Project(s) shall be identified in Attachment C, with a sub-attachment number, if appropriate, for each Project. Each of the Budget(s) shall be prepared in a format that is acceptable to County and, in general, shall list the major cost elements of the Project with the estimated cost of each of those elements equaling in sum total the fixed total project cost to be paid or reimbursed to Subrecipient for that Project.

b. Subrecipient shall adhere to the requirements of the Budget(s) as approved by County but is not precluded from making changes in the amounts budgeted for the major cost elements within the Budget(s) or between Project Budgets as such changes become necessary. All changes however, within the Budget(s), shall be reported to County in a timely manner for acceptance and approval. All proposed changes in the total amount of any of the Budget(s) under this Agreement that would increase or decrease the total amount of funding specified in Paragraph 7(A), or result in a change in the scope, location or beneficiaries of the Project, shall be submitted to County for prior approval and must be formally authorized by a written amendment to this Agreement in accordance with the provisions of Paragraph 9.

4. Eligible Costs. All costs which are incurred on any of the Project(s) by Subrecipient during the period of performance of this Agreement and which have been determined by County to be

appropriate and allowable costs of the Project(s) shall be eligible for reimbursement and payment hereunder.

5. Extension Periods. This Agreement may be extended by written amendment at County's sole option.

6. Time is of the Essence. All performance of this Agreement shall be undertaken and completed by the Subrecipient in an expeditious manner and shall not extend beyond the end of the contract expiration date unless this Agreement is extended by amendment.

7. Funding Amount.

a. Subject to the requirements of this Agreement, County will fund the Subrecipient for the full performance of this Agreement and the actual conduct of the Project(s) specified herein undertaken by Subrecipient. This is a fixed ceiling amount and shall not be considered as an "estimate-of-cost," "percentage-of-cost" or any kind of "cost-plus" sum, price, or amount. In addition, as used in this Agreement, unless the context indicates otherwise, the words "expend," "expended" and "expenditure" shall include all amounts obligated or committed by Subrecipient by written agreement (including unilateral purchase orders) for expenditure on the Project(s).

b. Subrecipient must make a concerted, good-faith effort to expend the total subgrant within the Period of Performance. Subrecipient costs and expenditures, however, shall not exceed the total funding amount. County shall not be liable for or reimburse Subrecipient for any extra costs or overruns on the Project(s) or any additional funding in excess of the total amount stated in this Agreement without prior written amendment.

c. In the event the full funding amount to be paid or reimbursed hereunder by County is not expended by Subrecipient for project costs as specified in Attachment C by the end of the contract expiration date, as that period may have been extended or otherwise changed, Subrecipient shall refund, release or transfer any unexpended amount back to County within thirty (30) days. Any project funds held by County at the end of the Period of Performance or refunded, released or transferred to County shall be reallocated by County. Subrecipient shall be eligible to apply for these funds but shall have no greater priority than any other applicant.

d. In the event that congressional action, HUD rules and regulations, or other lawful directive modifies or reduces the funds and/or services obligated under this Agreement, Subrecipient shall, upon notice from County, immediately modify or reduce the scope of work or cease expenditures hereunder as directed by Congress, HUD, County or other lawful directive.

e. Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

8. Methods of Disbursement.

a. Subrecipient may request disbursement from County of that part of the funding amount relating to a particular Project, either on the basis of a lump sum reimbursement of the Project costs upon completion or on the basis of periodic reimbursement payments during the course of a Project as the funds for that Project are expended.

b. A request by Subrecipient for either a lump sum or for periodic reimbursement payments on a Project shall be in a form and content as prescribed by County and shall be submitted to County for review and for a determination of eligibility for payment. Upon approval by County, that division will submit the request to the appropriate County offices and divisions for processing and payment. Requests for periodic payments shall be supported and documented as required by County on the basis of costs actually incurred by Subrecipient on a Project during the period for which payment is requested.

c. Prepayment of the funds or a partial advance of funds to Subrecipient for a Project may be made by County if the nature of the Project or unusual circumstances justify such payment. Any prepayment or advance payment made hereunder must be justified in writing by Subrecipient and must be pre-approved and authorized by County. With the exception of certain advances, payments will be made for eligible expenses actually incurred by Subrecipient, and are not to exceed actual cash requirements. Payments will be adjusted by County in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, County reserves the right to liquidate funds available under this Agreement for costs incurred by County on behalf of Subrecipient.

d. Expenditures under this Agreement, whether or not prepaid, determined by County or HUD to be ineligible for reimbursement or which are inadequately documented will upon written request be immediately refunded to County by Subrecipient.

e. No requests for reimbursement or other payments under this Agreement due to cost overruns of any kind on the Project(s) shall be approved, allowed, or paid by County unless the amount requested has been approved by a written amendment.

9. Amendments.

a. Either of the Parties may request amendments to any of the provisions of this Agreement at any time during the period of performance but no amendment shall be made or performed until it has been mutually agreed to by the Parties. All amendments shall be authorized by a duly executed modification of this Agreement prior to any work being done, except that, extensions of time amendments in the Period of Performance and contract expiration date may be authorized and given by County as provided below.

b. County may, in its discretion, amend this Agreement to conform with federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the purpose, the scope of services, the location, or beneficiaries of the Project(s) to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both County and Subrecipient.

10. Consultation and Technical Assistance. County will be available to provide technical assistance upon written request of the Subrecipient or as County deems necessary for improved Program operation.

This Agreement shall not confer any rights to third parties unless otherwise expressly provided for under this Agreement.

c. **Licensing.** Subrecipient will obtain all licenses, permits and/or certificates required by federal, state, and local government statutes, laws, ordinances and/or regulations required by every governmental jurisdiction in which the Program is provided for the duration of this Agreement. e. **Insurance for contracts over Fifty Thousand Dollars (\$50,000.00) and all Facility Improvement Projects.** Subrecipient shall, at its sole cost and expense, secure and maintain during the term of this Agreement, including all renewal or additional terms, the following minimum insurance coverage:

iv. Subrecipient’s insurance policies shall be primary and non-contributory to any other coverage available to County. The workers' compensation, general liability, and auto liability policies shall be endorsed with a waiver of subrogation in favor of County.

v. In the event that governmental immunity limits are subsequently altered by legislation or judicial opinion, Subrecipient shall provide a new certificate of insurance within thirty (30) days after being notified thereof in writing by County, certifying coverage in compliance with the modified limits or, if no new limits are specified, in an amount acceptable to County.

vi. All required certificates and policies shall provide that coverage thereunder shall not be canceled or modified without providing thirty (30) days prior written notice to County in a manner approved by the County District Attorney.

and reduce payments to Subrecipient for the costs of said insurance.

f. **Required Insurance Policies.** Subrecipient agrees to secure and maintain the following required policies of insurance in accordance with the general insurance requirements set forth in the preceding subsection:

i. Workers' compensation and employer's liability insurance sufficient to cover all of Subrecipient's employees unless a waiver of coverage is allowed and acquired pursuant to Utah law. This requirement includes contractors who are doing business as an individual and/or as a sole proprietor as well as corporations, limited liability companies, joint ventures and partnerships. In the event any work is subcontracted, Subrecipient shall require its subcontractor(s) similarly to provide workers' compensation insurance for all of the latter's employees, unless a waiver of coverage is allowed and acquired pursuant to Utah law. j. **Build America Buy America- Build America, Buy America Act.** The Build America, Buy America Act ("BABA") (Pub. L. No. 117-58, §§ 70901-52) enacted as part of the Infrastructure Investment and Jobs Act ("IIJA") (Pub. L. 117-58) on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects after May 14, 2022. Recipients of an award of Federal financial assistance from a program for infrastructure may not use funds provided under this award for a project for infrastructure unless:

i. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

ii. All manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United

States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than fifty-five percent (55%) of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and (3) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

iii. The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project. When necessary, Subrecipients may apply for, and HUD may grant, a waiver from these requirements. Subrecipient may request information from County on the process for requesting a waiver from these requirements.

12. Administrative Requirements.

a. **Uniform Requirements.** The Subrecipient and its agencies or instrumentalities and subrecipients shall comply with applicable uniform administrative requirements, cost principles, and audit requirements as described in 2 CFR Part 200 and as modified by 24 CFR § 570.502. The Super Circular supersedes and consolidates the requirements from OMB Circulars A-21, A-50, A-87, A-89, A-102, A-110, A-122, and A-13.

b. **Other Program Requirements.** Subrecipient shall comply with the program requirements set forth at 24 CFR §§ 570.600 - 570.614. Except, Subrecipient shall **not** be required to assume the environmental responsibilities described at 24 CFR § 570.604 or the review process under 24 CFR Part 52.

c. **Financial Management.** Subrecipient agrees to comply with the standards for financial and program management in accordance with 2 CFR Part 200, Subpart D and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

d. **Cost Principles.** Subrecipient, as specified in 24 CFR § 570.502(a), shall administer its program in conformance with 2 CFR Part 200, Subpart E, as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

13. Documentation and Record-Keeping.

a. **Records to be Maintained.** Subrecipient shall maintain all records required by the federal regulations specified in 24 CFR § 570.506, pertinent to the activities to be funded under this Agreement.

b. **Retention.** Records shall be retained for the periods set forth at 24 CFR § 570.502(a)(7)(ii) and 2 CFR § 200.333. The retention period for individual CDBG activities shall be the longer of three (3) years after the expiration/termination of the agreement or after the submission of the annual performance and evaluation report in which the specific activity is reported on for the final time by County. Records subject to reversion of assets or change or use provisions must be maintained for as long as those provisions continue to apply to the activity. Records of outstanding loan balances or other receivables or contingent liabilities must be retained until such receivables or liabilities have been satisfied. Records for non-expendable property acquired with funds under this Agreement shall be retained for three (3) years after final disposition of such property. Records for any displaced person must be kept for three (3) years after he/she has received final payment. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the three-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the three- year period, whichever occurs later.

c. **Client Data.** Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to County monitors or their designees for review upon request.

d. **Disclosure.** Subrecipient understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of County's or Subrecipient's responsibilities with respect to services provided under this Agreement, is prohibited without lawful court order unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

e. **Property Records.** The Subrecipient shall maintain real property inventory records, which clearly identify properties purchased, improved, or sold. Subrecipient will adhere to 2 CFR § 200.329, which requires annual reporting of real property for which there is a Federal interest. If the Federal interest extends beyond fifteen (15) years the reporting periods are multiyear reporting periods.

14. Close-Outs. Subrecipient's obligation to County shall not end until all close-out requirements, which are set forth at 2 CFR § 200.343, are completed. Activities during this close-out period shall include, but are not limited to making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to County), and determining the custodianship of records.

15. Audits & Inspections. All Subrecipient records with respect to any matters covered by this Agreement shall be made available to County, grantor agency, their designees or the federal government, at any time during normal business hours, as often as County or grantor agency deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by Subrecipient within a time period as agreed upon by County and Subrecipient after receipt by Subrecipient. Failure of Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments or refunding of payments to County. Subrecipient hereby agrees to

have an annual agency audit conducted in accordance with current County policy concerning Subrecipient audits and, as applicable, 2 CFR Part 200, Subpart F.

16. Program Income.

a. All program income, as defined at 24 CFR § 570.500(a), will be returned to County immediately upon being earned. Program income is defined in § 570.500(a) of the Rules and Regulations as gross income received by Subrecipient which is directly generated from the use of the CDBG funds provided hereunder, except as specifically excluded under 24 CFR § 570.500(a)(4).

b. Any program income in possession of Subrecipient that has not been returned to County when this Agreement expires or is terminated, or is received by Subrecipient after this Agreement expires or is terminated, shall be transferred or paid to County in accordance with the provisions contained herein, referred to as “Reversion of Assets”.

17. Indirect Costs. Indirect costs may be charged if Subrecipient develops an indirect cost allocation plan, prepared in accordance with 2 CFR Part 200, Subpart E, for determining the appropriate Subrecipient’s share of administrative costs and shall submit such plan to County for approval.

18. Progress Reports. During the actual conduct of the Project, Subrecipient shall prepare and submit to County every three (3) months, or as otherwise outlined in Attachment B: Project Statement of Work, a detailed project status report. The report format shall be as approved by County but must show, at a minimum, the current performance status of the Project being reported, the costs and contractual commitments incurred to date that have been charged to that project, information relating to the HUD performance indicators.

19. Reversion of Assets. As provided in 24 CFR § 570.503(b)(7), upon the expiration or termination of this Agreement, Subrecipient shall release to County any unexpended CDBG funds provided under this Agreement, all program income in its possession which it has not returned to County, and any accounts receivable attributable to the use of CDBG funds provided under this Agreement. Any real property in the control of Subrecipient that was acquired or improved with CDBG funds provided under this Agreement shall be managed in compliance with County’s policy regarding the use of CDBG-assisted real property, as follows:

a. **Acquired with CDBG Funds.** All property acquired by Subrecipient in whole or in part with CDBG funds must be used for a period of fifteen (15) years following the expiration or termination of this Agreement to meet one of the national objectives, found at 24 CFR § 570.208, of benefiting low- and moderate-income persons; aiding in the prevention or elimination of slums and blight; or meeting community development needs having a particular urgency. A deed restriction will be recorded against any property acquired with funds allocated by this Agreement. Subrecipient agrees to have this deed restriction in place prior to or in conjunction with expenditure of funds provided by this Agreement.

b. **Improved with CDBG Funds.** All property improved in whole or in part with CDBG funds must be used by Subrecipient to meet one of the national objectives found at 24 CFR § 570.208 in accordance with the following timetable:

i. All properties receiving improvement funds below Two Hundred Thousand Dollars (\$200,000.00) must be used for eligible activities for five (5) years;

ii. All properties receiving improvement funds of Two Hundred Thousand Dollars (\$200,000.00) or more must be used for eligible activities for fifteen (15) years;

iii. A deed restriction will be recorded against any property improved with funds allocated by this Agreement. Subrecipient agrees to have this deed restriction in place prior to or in conjunction with expenditure of funds provided by this Agreement.

c. The County will not consider a change of use of the Project during the timeline outlined above

d. The threshold amounts set forth in Subparagraph b. above are cumulative, based on the total CDBG funding provided to Subrecipient in this Agreement for acquisition or improvement of real property, plus any previous or subsequent CDBG funding provided by County to acquire or improve said real property.

20. Procurement. Subrecipient shall procure all materials, property, or services in accordance with the Procurement Standards of 2 CFR Part 200, Subpart D, except to the extent that the County's Purchasing Procedures are more restrictive, Subrecipient shall follow the County's procedures pursuant to Chapter 3.20 of the Salt Lake County Code of Ordinances.
